December 2016

Volume 4

We had a fabulous November and enjoyed numerous activities. One more month to go for 2016 and it will be just as busy. I hope that you all enjoy family time over the winter break and have time to relax and reflect on your year. From the Staff at Northwestern and our families, we wish you happy holidays!

The Reptile Experience and Serengeti Steve will be visiting us on Friday, December 2nd thanks to the Hettick Community Club. Serengeti Steve will bring several different reptiles and other animals for his assembly. Thank you to the Hettick Community Club for providing this amazing opportunity!

The Northwestern Parents' Club and the FCCLA will be joining together to provide fun activities during our BOGO Free Book Fair on Saturday, December 3rd. Students will be able to have cookies and milk with Clifford along with other fun activities from 9:00-11:30am at the High School. Please RSVP if you plan on attending with your child! This is a great opportunity to do some Christmas shopping and support our school!

Northwestern's Winter Concert will be Tuesday, December 6th at 7:00pm at the Jr/Sr High School. The students and Ms. Beatty have been working hard on several pieces. We hope to see you there!

This month our PBIS trait is self-control. This is a perfect time of the year to talk about self-control with Christmas right around the corner. Our STEM day will be December 9th. Please encourage your child to use self-control every day, no matter where they are.
