

Louis & Temple Marsch Scholarship Program

The Louis and Temple Marsch Charitable Trust will again be awarding scholarships to qualified students who will be or are attending college. The Marsch Charitable Trust was established in late 1973 by the late Mrs. Louis Marsch of Morrisonville, Illinois, in memory of her husband. The Trust provides scholarship funds to students pursuing education in engineering and scientific related areas. The scholarships awarded are for TUITION ONLY and usually provide semi-annual payments to the recipients until their graduation from college.

To be a qualified student, the individual must graduate from a high school within a specific area and be enrolled or accepted as a full-time student at a school of their choice studying engineering or a scientific field. The specific area from which the high school must be located is Christian, Montgomery or Macoupin Counties, or the townships of Auburn, Pawnee, Divernon, Rochester and Mechanicsburg in Sangamon County, or the townships of Moweaqua, Flat Branch or Shelbyville in Shelby County.

NOTE: Priority will be given to Applicants in the Engineering Field and related Science.

Recipients **must** be full-time enrolled students pursuing an education in engineering or a scientific field and maintain a "C" average to continue receipt of the scholarship funds. Verified transcripts of your courses taken and grades received will be required of any recipient. The Board **must** be notified of any change in circumstances.
